

JRC Makerspace Inauguration Event AGENDA

15-16th May 2019

15th May

12:00 Lunch buffet

13:00 **Tour of the JRC Makerspace**
Paulo ROSA

13:15 **Opening**
Krzysztof MARUSZEWSKI

13:30 **The role of the Makerspace for the JRC & beyond**
David MAIR, Ângela GUIMARÃES PEREIRA, Paulo ROSA and Axelle VAN WYNSBERGHE

Panel on the importance of citizen engagement in the critical socio-political moment we find ourselves in today - for JRC work and the European Commission as a whole. Explaining how the Makerspace developed as a concept: emphasis on storytelling, new experimental forms of deliberation and co-creation with citizens.

14:00 **Makerspaces as extended peer-communities**
Denisa KERA and Zoe ROMANO. Moderated by Silvio FUNTOWICZ

14:05 *Talk by Denisa KERA*

Denisa Kera is a philosopher and designer that experiments with various creative strategies of public engagement in emerging science and technology issues. She uses design methods (UX, critical design, design fiction, future scenarios, participatory design), ethnography and prototyping to research STS (Science, Technology and Society) issues.

14:35 *Talk by Zoe ROMANO*

Graduate of philosophy and passionate about technology, she co-founded the open-source European collaborative fashion project Openwear active from 2009 to 2012. In 2011 she founded Wefab, for the dissemination of events and initiatives around Open Design and Digital Fabrication in Milan. She has written for Chefuturo, Digicult and Doppiozero. From February 2013 to 2017 she joined the Arduino team to take care of digital strategy and wearable technologies. In 2014, she founded WeMake with Costantino Bongiorno.

15:05 Discussion session

16:00 **Coffee-break & Nano Sumo**
Valter PADOVAN
